

# ASSOCIATION OF GARAGE DOOR SPECIALISTS Warranty

**Garage Doors, Remote Control Systems, Accessories and Installations are warranted for a period of 2 Years from Date of Installation.**

During this period products which have manufacturing defects will be repaired or replaced at the discretion of the installer, who reserves the right to include the manufacturer in the process.

Any problems resulting from incorrect or poor installation will be rectified to ensure the installation is of a satisfactory standard.

Some products carry extended periods of warranty relating to the product or certain aspects of it, in which instance the terms of the manufacturers own product warranty will apply.

This Warranty does not cover consequential loss or damage, the maximum liability under the warranty shall be the original purchase price inclusive of vat at the time of installation.

## **THIS WARRANTY IS SUBJECT TO:**

- An annual service and safety check being carried out by an AGDS member;
- The application of the AGDS Visual Appearance standard the warranty conditions of the product manufacturer;
- Compliance with recommended maintenance procedures.

This Warranty is applicable to installations carried out by AGDS members, and is given by the member company and not the AGDS.

**In the event of non-resolution of a problem, the AGDS offers an arbitration service.**
